Notice of Non-Compliant Amendment Under 37 CFR § 1.121

The Applicants have received a notice stating that the response filed by the Applicants on January 5, 2007 is non-compliant and the Applicants have been required to correct the response. In the response Claim 71 was missing the status identifier.

In the Notice of Non-Compliant Amendment, under "Time Periods for Filing a Reply to this Notice", #2, it is stated that if any of boxes 1-4 is checked, the correction required is only the corrected section of the non-compliant amendment in compliance with CFR § 1.121. Box 4, "Amendments to the Claims" was checked. Therefore, the Applicants submit herewith, the "Listing of Claims" corrected to provide the status identifier for Claim 71.

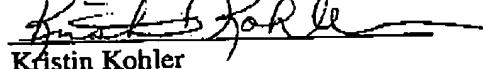

Therefore, all requirements of the Notice of Non-Compliant Amendment have been met, the Applicants' response is now compliant, and the Applicants respectfully request entry and consideration of the response filed January 5, 2007.

Conclusion

In light of the remarks and corrections presented herein, entry and consideration of the response filed January 5, 2007 are respectfully requested. Reconsideration and allowance of the Claims are respectfully requested. In the event that issues remain, the Examiner is invited to call the Applicant's undersigned attorney for further discussion.
